

Dear Partner,

The Conference of Minority Transportation Officials (COMTO) is an organization dedicated to maximizing the participation of minority individuals, businesses, and communities of color in the transportation industry through advocacy, information sharing, training, education, and professional development.

COMTO has twenty-nine (29) chapters throughout the United States and more than 25 members in the Atlanta Chapter. COMTO members represent every facet of the transportation industry. Members include individuals, transportation agencies, academic institutions, industry non-profits, and Historically Underutilized Businesses (HUBs) across the various transportation sectors.

The COMTO Atlanta Chapter has a solid record of attracting distinguished professionals from the highest level of the public and private sectors to create forums that explore crucial transportation issues. With the support of our partners, COMTO Atlanta can build on that record by continuing to offer our members meaningful interaction and unparalleled access to transportation leaders.

Please review the attached bulletin which outlines the benefits received at each level. Regardless of the level of contribution, each of our corporate partners will support the following local and national events:

- COMTO National Celebrating Women Who Move the Nation (DC)
- COMTO Atlanta Topgolf Tournament and Fundraiser
- COMTO National Meeting & Training Conference
- WTS Atlanta/COMTO Atlanta STEM Initiative
- COMTO Atlanta Annual Scholarship Luncheon
- COMTO Atlanta Annual Transportation Trailblazers Reception
- COMTO Atlanta Holiday Social

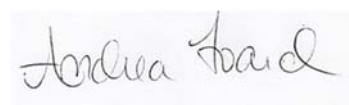

We hope that your firm will support the COMTO Atlanta Chapter in its Annual Corporate Partner program by partnering with us in 2019. Should you have any membership questions, please feel free to contact me.
